**6000V & 7500 AIRWASH CARTS**

**Safe**
The AirWash can safely be used while people are present. Easy to use, you simply plug it in and turn it on.

**Rugged**
The AirWash solid metal construction and heavy duty wheels are built for years of trouble free operation in the most demanding of environments.

**Amaircare Certified**
Airwash will produce “maximum indoor air quality” and is suitable for people suffering from chemical sensitivities, asthma or allergies.

**Versatile**
The AirWash can be used in hotel rooms, when cleaning or vacuuming floors, in print shops or anywhere that elevated VOC's, particulate or odors are a problem.
